The Assembly 2007

Four hundred years ago, 29 April 1607, the first English settlers landed in what is now Virginia Beach, Virginia. Their first official act, after three days of prayer and fasting, was to plant a cross in the ground of the “New World” and dedicate the land to the glory of God, and the spread of the Gospel of Jesus Christ around the world. We have enthusiastically witnessed the results of the land’s commission, in that the Gospel has been launched to nearly every corner of the globe from these shores (excerpt from The Assembly 2007 letter). In order to commemorate the 400th anniversary, One Nation Under God hosted the national prayer event, named The Assembly 2007 to rededicate our land back to God according to its original dedication through repentance, fasting and prayer. Dr. Lee was honored to take part in the event as “International Coordinator.” He had the privilege of praying for the restoration of the United States of America back to the original covenant on the stage that was set up in Virginia Beach on 29 April.

Dr. Lee was one of many distinguished ministers who came from all over the U.S.A. to pray for the restoration of this land back to the original covenant on 29 April 2007

Miracle healings in RLM Meetings

While Dr. Lee was conducting revival meetings at King-domizer Church in Atlanta, GA, during the later part of May, more than 20 miracle healings took place. One of the remarkable miracle healings happened to Mrs. Duk Hee Jung. Due to a car accident that occurred in Feb. 2007, her spinal cord and leg bones were fractured in several different places. She had constant pain in her back and could hardly move about with a walker. After she received prayer from Dr. Lee, she felt the power of God moving through her whole body. She was under God’s di-

vine power for more than 20 minutes on the floor. When she got up, her pain totally departed and she was able to walk and dance before the Lord. Praise the Lord for His goodness! Also Mrs. Jung’s daughter, Jieun whose right ear was deaf received 70% restoration of her hearing and it has been getting better each day. Her husband received God’s divine healing of his chronic sinus infection problem for 17 years. After Dr. Lee prayed for his healing, his nose pas-

God’s whole package blessing came upon Mrs. Jung’s family. “By the stripes of Jesus Christ, we are healed (Isaiah 53:5).”

Ms. Judy Gill

Dr. Lee also ministered at a life group of New Life Providence Church that meets at Ms. Judy Gill's home on Thursday nights in Virginia Beach. She had been suffering with Multiple Sclerosis for nine years. It affected her ability to walk on her left side more so than her right side. When Dr. Lee prayed for her, she felt the sensation as though an electric shock went through her left side. When she got up from the floor where she was under the power of God for a few minutes, she knew that she had been healed of M.S. She has been giving all the glory to the Lord Jesus Christ. That same evening,

Dr. Lee prayed for Ms. Cecelia Hurt who had been suffering with a damaged hip problem for over a year and she also received God's divine healing. Recently, she even started to exercise without anymore pain in her hip. Also Ms. Phyllis Victor received divine healing of her shoulder, chest and leg problems. Since that night, she hasn't taken anymore pain killers and medications because there is no more pain. God still heals people for His own glory. Only believe that it is God's great pleasure to heal you if you have been suffering with any sickness, you can have your miracle today! Dr. Lee said, *"I have witnessed many miraculous healings in the mission field over the past 19 years. However, these kinds of miracle healings rarely occurred in my ministry in the U.S. Now I am very excited to report to you that many major miracles have been taking place when I am ministering in America as well. I give all the glory to the Lord who uses me as His instrument to heal those who have been struggling with various kinds of sicknesses."* Jesus Christ commands us to preach the kingdom of heaven, and heal the sick in Matt.10:7-8.

Miracle Fruits Among RMTCs in Nepal

Paban Rana

We are also excited to report to you that two miracle healings took place while River Mission Training Center students were praying for the sick in Nepal. A fourteen year old boy, Paban Rana who was deaf and dumb from his birth was totally healed and now he can hear and talk. A 62 year old lady, Dhuli Didi was sent home by her doctor to die within a few days due to her final stage of cancer. When RMTC students prayed for her, she was miraculous healed of her cancer by the power of God.
